Thank you for your previous support. I hope that KV can count on you again.
Best,
Maida

Help grow voters from the ground up!

May 26, 2016

Celebrating 25 years of promoting civic education in the Fairbanks North Star Borough, I want to thank you for your previous sponsorship of the Kids Voting Golf Classic. I eagerly anticipate your continued support for our upcoming 19th annual event.

Your backing has been the key to our recognition as one of the most successful Kids Voting programs in the nation. You can show your belief in the value of Kids Voting in two ways: first, consider joining us for a day of golfing fun (the attached flyer provides the details of the July 7th event). If you are a golfer, I guarantee a wonderful time. **Golfer or not, we encourage you to sponsor one of the event's 18 holes for \$100.** Previous sponsors of this non-partisan event have been the Democratic and Republican parties, members of the Fairbanks School Board, members of the North Star Borough Assembly, Mayor Hopkins, Senator Coghill, Senator Bishop, Representative Gутtenberg, Representative Kawasaki, Representative Thompson, Representative Wilson, Representative Wool, and former legislators Bob Miller, Jay Ramras, Steve Paskvan, Pete Higgins, and Joe Thomas. Please send your sponsorship check to:

Maida Buckley, Program Director
Kids Voting North Alaska

Your work reflects your exemplary commitment to civic involvement. Additionally, Kids Voting is a 501(c)3 non-profit organization. All tax-deductible donations are used to maintain the program. All sponsors are identified on printed materials distributed to the public, recognition on the voting website, a banner sign identifying your business at the Annual Kids Voting Golf Tournament in June, the inclusion of several articles in the Daily News-Miner and an acknowledgement in the Applause letter section of the paper, and in every other visible way we can create.

I look towards your leadership and support in this endeavor as well.

Sincerely,
Maida Buckley
